## A MESSAGE FROM CHIEF EXECUTIVE OFFICER

For many, the start of the year is a great time for reflection. To think back on the notable moments of the past twelve months and use them to prepare for a new and better year. As I complete my first year serving as Chief Executive Officer for Boys & Girls Clubs of Central Iowa, we are entering into the third year of a global pandemic.

As I reflect on the successes and challenges we've experienced in 2021 and what the future holds for this organization, a couple of main themes come to mind.

### **Whatever it takes.**

Boys & Girls Clubs of Central Iowa will continue to do whatever it takes to build great futures for our youth.

Whatever it takes to help our youth heal. Whatever it takes to create equity and opportunity for our youth.

In the face of all the havoc we saw in 2021, our staff showed up for our youth and this generous community stepped up to meet their needs. Our Club doors were open. I could not be prouder of this team, of the resilience and passion for our mission I have had the privilege to witness. I am confident that no matter what 2022 brings, together we will do whatever it takes to best serve our community's kids and teens.

### **The time is now.**

It is time for us to not just survive, but THRIVE. Not because we feel ready. No doubt, our staff are fatigued.

Perhaps our supporters are fatigued. But the time for us to thrive is now because that is what our youth require of us. Mental health crises among youth have skyrocketed, food insecurity has increased, and youth are suffering academically. Less than half of public school students in grades 2-10 met grade expectations per recent assessment. These challenges cannot be fixed with new iPads or more cooking equipment. **Our ability to positively impact the youth we serve is due directly to the people in our Clubs.** The caring staff role models who work for our mission day in and day out. The regular volunteers who show up and build trust with our members. These relationships are our most critical component to success, and in order to thrive as an organization, we need to be willing to prioritize our people.

Fortunately, we have the infrastructure in place: the incredible success of our **Club**

**Pathways** campaign allowed us to open three new Clubs in the past

two years and establish four robust paths of Clubs to serve our members throughout their entire academic journeys. Now is the time to invest in our staff and volunteers, those who make our mission a reality behind the blue doors.

**It won't be easy, but with your continued support, BGCCI will do whatever it takes.**

# Great Youth

Youth of the Year is Boys & Girls Clubs' highest honor, celebrating our most inspiring teen Club members. Youth of the Year recognizes outstanding leadership, academic excellence, and a commitment to a healthy lifestyle.

To achieve the title of Youth of the Year, candidates demonstrate their leadership and communication skills through an extensive application and interview process.

2021 YOUTH OF THE YEAR

# ARINA

Boys & Girls Club made me realize what was important—helping others and being a positive role model. I learned it is okay to ask for help and offer it when I can. That's what makes a good leader.

I am a passionate person with big dreams of working in the healthcare field one day. Boys & Girls Clubs has given me so many opportunities to succeed and grow to become a happier, healthier version of myself.

Middle school Club members are able to compete as Junior Youth of the Year contestants to prepare for future participation in the Senior division.

The Junior Youth of the Year program seeks to develop junior leaders within the Club environment. The program cultivates learning and provides the foundation needed for advanced leadership development, academic excellence, and postsecondary success.

## 2021 JUNIOR YOUTH OF THE YEAR

# CAMARI

I believe that I can use my Club experience to demonstrate what it means to be a great role model for members at Club.

## GREAT FUTURES SOCIETY

In 2021, Boys & Girls Clubs of Central Iowa launched a new young professionals group—Great Futures Society. The ultimate goal of the Great Futures Society is to provide leadership and volunteer opportunities to young professionals who aspire to positively impact kids and teens throughout the Des Moines area and grow personally and professionally within the community. Members join to give their time, talents, and treasure to mentor Youth of the Year scholarship applicants and prepare them for the annual competition. We look forward to seeing Great Futures Society members work with our Youth of the Year candidates in the future and take this program to the next level of excellence.

# Great Impact

At Boys & Girls Clubs of Central Iowa, we are proud to support kids and teens of every race, ethnicity, gender expression, sexual orientation, ability, and religion in reaching their full potential. Together, we work to ensure the future is great for all kids and teens in Central Iowa who are counting on us.

Like so many organizations, Boys & Girls Clubs of Central Iowa continues to be impacted by the COVID-19 pandemic. Through disruption and uncertainty, BGCCI has increased wages to address staffing shortages and is slowly building back membership to ensure the success of each Club member that walks through our doors. We remain committed to increasing capacity at each of our Clubs as we rebuild the team that makes our mission possible.

# Great Programs

Our Clubs offer a variety of tested, proven, and nationally recognized programs designed to empower kids and teens to excel in school, become good citizens, and lead healthy, productive lives.

## ACADEMIC SUCCESS | Great Minds

BGCCI reinforces and enhances the **skills and knowledge** young people learn at school. We create opportunities for high yield learning activities that strengthen cognitive skills including reading, writing, discussions with mentors, homework help, tutoring, and games.

**These programs are designed to foster creativity and academic skills to ensure that all Club members graduate on time with a plan for their future:**

**95%**

Club members  
**ON TRACK TO  
GRADUATE**

**79%**

Club members  
**PLANNING TO  
ATTEND COLLEGE**

### MONEY MATTERS

Teaches teens how to set goals, budget, save, and invest to improve financial responsibility and management skills.

### STEM

Encourages and develops Club member's skills in science, technology, engineering, and math (STEM) with hands-on programming.

### POWER HOUR

Designed specifically to help kids and teens get their homework completed in a quiet place with supportive, trained staff.

## GOOD CHARACTER & LEADERSHIP | *Great Voices*

At our Clubs, we assist youth in **developing social-emotional skills** that increase their confidence as they navigate adolescence, enter college, and seek to gain employment. Youth participate in service-learning programs to improve their communities and Clubs. To help our youth meet the workforce challenges of tomorrow, our Club members need positive mentors, safe spaces, and workforce experiences today.

**These programs help youth become responsible, caring citizens by developing leadership skills and providing opportunities for career exploration:**

### CAREER PATHWAYS

Offers youth a chance to explore interests and passions, develop employability skills, and apply knowledge to real-world work experiences.

### JUNIOR STAFF

Develops Club members' interpersonal skills, work ethic, and sense of responsibility while exploring a potential career in youth or human services.

### TORCH CLUB

Builds leadership skills for our youth ages 11-13 and encourages giving back to their community.

## HEALTHY LIFESTYLES | *Great Well-Being*

At BGCCI, we educate youth about **fitness, nutrition, and smart decisions** to develop young people's capacity to live healthy lifestyles. Activities focus on overcoming challenges, positive conflict resolution techniques, engaging in positive behaviors, setting personal goals, and building resistance skills to nurture and strengthen their body and mind.

**These programs develop young people's capacity to engage in healthy behaviors:**

### DAILY MEALS & SNACKS

Provides healthy snacks, meals, and supplementary food items every day at all eight Club sites.

### COOKING CLASSES

Inspires Club members to incorporate healthier habits by participating in hands-on, comprehensive cooking activities.

### TRIPLE PLAY

Challenges members to live healthy and active lifestyles by learning ways to manage stress, improve physical and mental health, and build positive social skills and character.

### SMART GIRLS

Provides health, prevention education, and confidence building for girls 8 - 17 years old.

# Great Growth

The generous outpouring of community support raised nearly \$17 million for capital expenses and operations for new Clubs.

## PAVING THE WAY TO GREAT FUTURES

At Boys & Girls Clubs of Central Iowa, our goal is to ensure all Club members are on track to graduate high school with a plan for the future. To that end, leveraging our close partnership with Des Moines Public Schools, BGCCI launched a comprehensive campaign in 2017 to double the number of youth served and create strategically-located paths of Clubs throughout our city to serve members from **kindergarten all the way through high school graduation**.

Through this bold vision, *Club Pathways*, BGCCI aimed to build three new Club sites and create four unique paths of Clubs in the Des Moines metro.

**And you answered the call.**

### GREGORY & SUZIE GLAZER BURT CLUB

The Gregory & Suzie Glazer Burt Club opened in the fall of 2019 on Drake University's campus. This state-of-the-art facility is BGCCI's only freestanding Club serving K-12, and only the second in the nation to open on a private college campus.

Photo courtesy of Kyle Stoutenberg

### E.T. MEREDITH JR. CLUB

The E.T. Meredith Jr. Club opened February of 2020 at East High School, central Iowa's first teen-only Club site. Named after one of BGCCI's founders, the E.T. Meredith Jr. Club allows east Des Moines youth to continue their Club experience in high school. Career exploration, workforce readiness programming, college visits, and apprenticeship opportunities are just the start of what this new Club has to offer.

# STUDEBAKER CLUB

Photo courtesy of Christopher Maharry

“The growth our organization has achieved during the past several years has been phenomenal, thanks to incredible donors, partners, board members, and dedicated staff. Our Club Pathways campaign has created a pipeline of Clubs and resources for our kids and teens to achieve great futures.

**TONY TIMM**

CEO of Boys & Girls Clubs  
of Central Iowa

In the summer of 2021, our new Studebaker Club at Studebaker Elementary School opened on the south side of Des Moines. BGCCI has long had a south side presence, and a K-5 serving Club has allowed us to better meet the needs of this community.

Despite a significant overlap with the COVID-19 pandemic, BGCCI has continued to grow our reach and impact in the community. This is all thanks to your support and the generosity of our donors, stakeholders, and volunteers.

## THE NEXT GREAT CHAPTER

While we've made incredible strides to better serve our community, we know we are not done yet.

A global pandemic, significant changes in the workforce, academic backslide, and an escalation of mental health crises in our youth are only a few of the challenges we've seen since the inception of the *Club Pathways* plan.

Our future success will depend not only on this community's continued support, but on how we envision our next chapter as the premier youth serving organization in central Iowa. As we explore this together, one thing is for certain: we will always continue doing **whatever it takes** to best serve the kids and teens in our community.

# Great Events

Our annual signature events provide us with an opportunity to gather together to raise awareness of our mission and funds to support it. Funding from our signature special events directly benefits the nearly 1,800 youth we serve at our 8 Club locations, and allows us to offer essential programming after school and during the summer, distribute healthy meals daily, develop relationships with youth and keep membership affordable for all families at just \$10 per school year.

Photo courtesy of Kyle Stoutenberg

## **GREAT FUTURES GOLF TOURNAMENT**

**\$180,000+ RAISED • 66 FOURSOMES**

The 5th annual Great Futures Golf Tournament, presented by MidAmerican Energy, took place on June 14, 2021 at Des Moines Golf and Country Club, and it was another great success! Thanks to the generous support of our players and sponsors, we raised over \$180,000!

## **YOUTH OF THE YEAR**

March 25, 2022

**3 SENIOR CANDIDATES • 11 JUNIOR CANDIDATES**

Each year, at our annual Youth of the Year scholarship competition and dinner reception, Boys & Girls Clubs of Central Iowa awards its highest honor to one exceptional teen who exemplifies the Boys & Girls Club mission and serves as both an ambassador for over 1,800 BGCCI youth and as a strong voice for all of our community's young people.

Photo courtesy of Tiatra Li Photography

## **CLUB TALENT SHOW**

**\$75,000 RAISED • 30 CLUB MEMBER PERFORMERS**

Our 2021 Club Talent Show, presented by Andrea and Greg Abel and Michael and Mell Meredith Frazier, took place on October 7, 2021 at Jasper Winery. This special event provides a unique opportunity for BGCCI Club members to showcase their phenomenal talents to family, friends, and community supporters. Over \$75,000 was raised to directly support the mission of the Boys & Girls Clubs of Central Iowa, thanks to our sponsors and attendees!

## **OLD BAGS IS BACK**

September 9, 2022

Returning to BGCCI this fall, led by our beloved friend and BGCCI Trustee, Suzie Glazer Burt, Old Bags is a very special and unique celebration of women, connection, and of course purses, all to raise critical funds for Club kids and teens!

# Great Community

## CLUB MEMBERSHIP OPENS THE DOOR TO A GREAT FUTURE.

At Boys & Girls Clubs, we know there is no simple answer to success. It takes a community of like-minded people, a safe environment, high-quality programs, and unique experiences to enable our youth to reach great futures.

A Boys & Girls Club membership is so much more than you may realize – for just \$10 an academic year, a Club membership gives kids a safe place to learn, grow, and thrive. Boys & Girls Clubs of Central Iowa Club membership provides a child with:

- Environments that are safe, positive, and inclusive.
- Relationships in which youth forge supportive, meaningful, and healthy connections with adults and peers.
- Experiences that build upon their strengths, foster a sense of belonging, and purpose, and provide opportunities to lead and be heard.
- Life-enhancing programs that help youth advance in three key outcome areas: Academic Success, Good Character and Leadership, and Healthy Lifestyles.

Our Clubs are much more than a place to be after school and over the summer. It's a place for youth to dance, express themselves, play sports, receive healthy meals and snacks every day, and get help solving a math problem or writing a resume. A place to learn, grow, lead, and go further than they ever imagined.

Thank you to all  
of our donors for  
opening the door to  
great futures today,  
tomorrow, and for  
generations  
to come.

**\$1,224**
